Front End Developer Intern

CAREER OBJECTIVE

As a dedicated and enthusiastic aspiring front-end developer, I am eager to secure an internship that will provide an avenue for me to apply and expand my web development skills. Proficient in HTML, CSS and JavaScript (React js). I am committed to contributing my creativity and technical knowledge to assist in creating engaging and user-friendly websites. I will have so much excitement to learn from experienced professionals, collaborate within a team and gain real world experience in the field of front-end development. I am hereby seeking an internship opportunity that will allow me to grow and make a valuable contribution to the team's success.
