SERVICES

WEB DEVELOPMENT
I develop functional and fully responsive websites while integrating API.

APP DEVELOPMENT
I design and craft iOS and Android apps.

UI/UX DESIGN
I design the layout and feel of websites.

TOOLS

Git and GitHub
SASS

OBJECTIVE

As a dedicated front end developer, I am eager to secure an internship that will provide an avenue for me to apply and expand my web development skills. I have proficiency in HTML, CSS , JavaScript and React JS with proven projects and also ready to employ my creativity and collaborate effectively to crafting engaging and scalable user-interfaces for your business.
